

Quick Start Guide

English

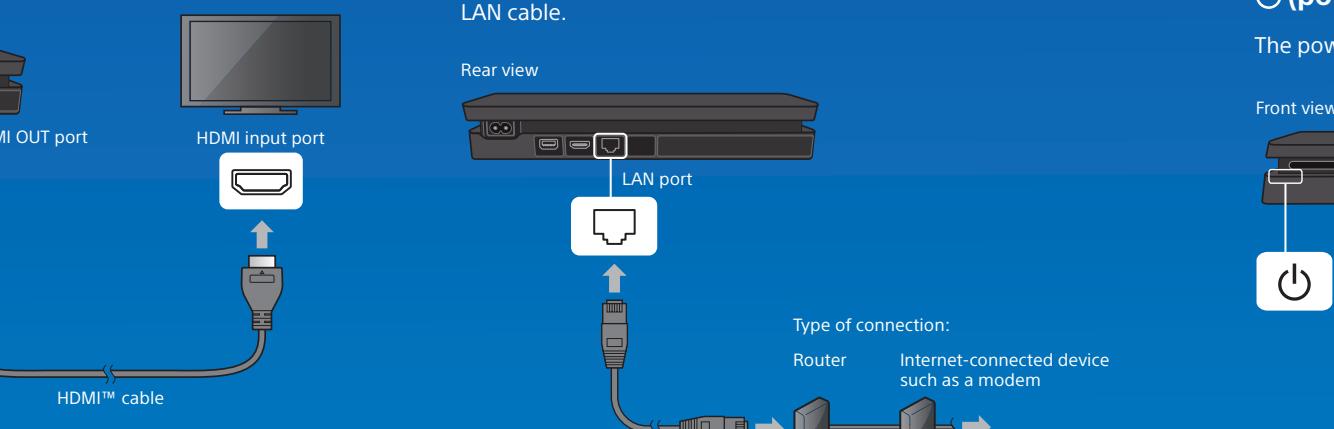

CUH-2115A

Let's get started

1 Connect to your TV.

Make all connections before plugging the AC power cord into an electrical outlet.

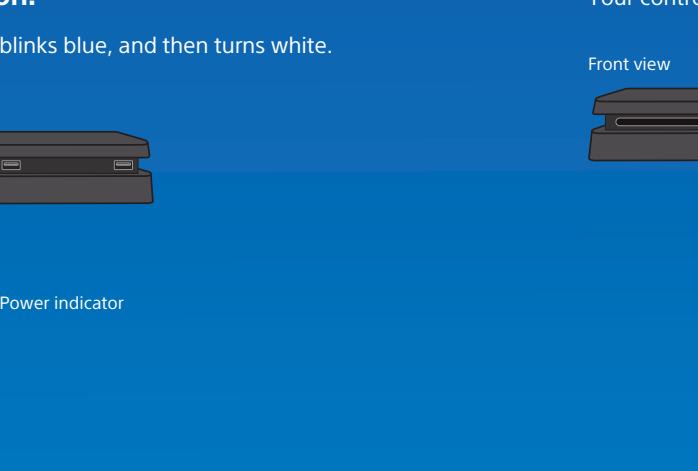

You can transfer saved data from your current PS4™ system to your new PS4™ system. We recommend that you transfer data before using your new system for the first time. For details on how to transfer data and what type of data you can transfer, refer to the User's Guide. manuals.playstation.net/en/04.html

Get the most out of your PS4™ system by connecting to the Internet. You'll be able to play games online and connect with Friends.¹

2 Connect to the Internet.

We recommend use of a LAN cable (sold separately) for a more stable network connection. If you prefer to use a wireless connection (Wi-Fi), don't connect a LAN cable.

If your TV does not display a picture when the power indicator turns white, restart your system. Press the \odot (power) button for at least 7 seconds to turn off your system, and then turn it on again.

3 Turn on your TV and set the input to HDMI.

Your controller pairs with your system and turns on.

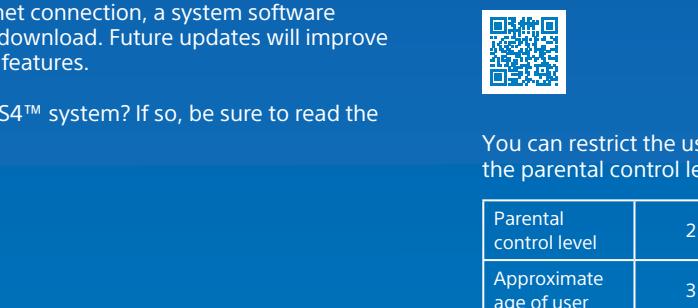

The power indicator blinks blue, and then turns white.

Will a child be using your PS4™ system? If so, be sure to read the "Parental controls" section.

4 Turn on your PS4™ system by pressing the \odot (power) button.

Your controller pairs with your system and turns on.

The power indicator blinks blue, and then turns white.

Will a child be using your PS4™ system? If so, be sure to read the "Parental controls" section.

5 Connect your DUALSHOCK®4 wireless controller to your system using the USB cable, and then press the \odot (PS) button.

You're almost done! Follow the on-screen instructions to set up a Internet connection, set the date and time, and configure other settings - then select [Start Now] from the setup screen.

After you set up your Internet connection, a system software update may automatically download. Future updates will improve performance and add new features.

Will a child be using your PS4™ system? If so, be sure to read the "Parental controls" section.

6 Make it your own.

If children will be using the PS™ system, parents/guardians can restrict access to certain content or features using parental controls. For details on what can be restricted and how to set restrictions, refer to the User's Guide.

manuals.playstation.net/en/01.html

You can restrict the use of games that have limitations by setting the parental control level according to the following table.

| Parental control level | 2 | 3 | 4 | 5 | 9 |
|-------------------------|--------|--------|--------|--------|--------|
| Approximate age of user | 3 | 6 | 10 | 13 | 17 |
| Game rating labels | ESRB E | ESRB E | ESRB T | ESRB T | ESRB M |

Content info screen

The latest information about the selected content is displayed.

Let's play

Start the game

Insert a disc. Select the game from the content area to start playing.

Return to the home screen from a game

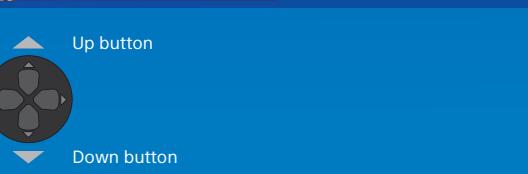

To return to the home screen without ending a game, press the (PS) button.

To resume playing the game, select it from the content area.

End the game

Press and hold the (PS) button, and then select [Close Application] from the quick menu that appears.

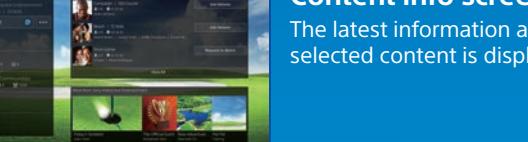

Eject the disc

Press the ▲ (eject) button.

Eject the disc

Press the ▲ (eject) button.

Let's play

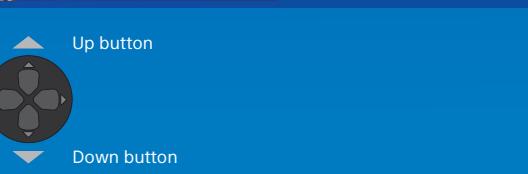

Connect the mono headset

For in-game voice chat, plug the mono headset into your controller's stereo headset jack.

Charge your controller

With your PS4™ system either on or in rest mode, connect your controller using a USB cable. For details on rest mode, read the "Shutting down" section.

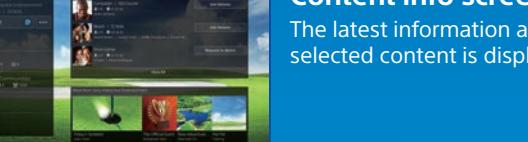

Upload a screenshot

Capture a screenshot of your gameplay and upload it to your social networks, or use (Messages) to send it to Friends.

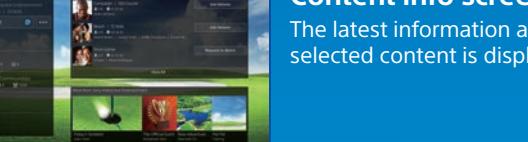

Upload a video clip

Your PS4™ system continuously records the last 15 minutes of gameplay. You can upload a video clip of the recorded gameplay to your social networks.

Broadcast your gameplay live

Broadcast your gameplay to a live streaming service so others can watch your adventures.

Let's play

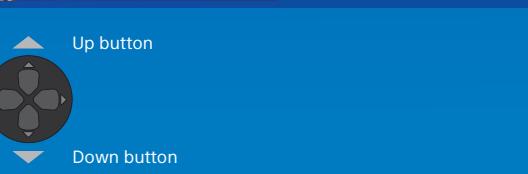

View shared gameplay

Press the SHARE button and choose one of these options for sharing your gameplay online.

Connect with Friends
