Instruction Manual Mode d'emploi Includes important Health and Safety information Comprend des informations importantes relatives à la santé et la sécurité

EN WARNING

Read the instructions carefully before using PlayStationVR. Failure to read and follow the warnings and instructions could result in serious injury.

- PS VR is not for use by children under age 12.
- Wearing the VR headset will completely block your ability to see your surroundings. PS VR does not detect obstacles. Review surroundings and clear obstacles from an area larger than the Play Area (→ "Using PS VR") before use. Make sure you are not near any walls, stairs, furniture, or other obstacles that you may collide with or trip over.
- Remain in the center of the Play Area and do not walk around while wearing the VR headset. Remain seated whenever possible. If an application requires you to stand while wearing the VR headset, follow the application instructions carefully, and maintain awareness of your surroundings.
- Take steps to prevent pets, persons, or other obstacles from entering an area larger than the Play Area during use.
- Before use, check that the VR headset cable is not wrapped around your body or legs, and check frequently during use.
- Avoid extreme or excessive movements of the head, hands, or body while wearing the VR headset.
- Some people may experience motion sickness, nausea, disorientation, blurred vision, or other discomfort or other abnormalities. If experienced, stop using immediately, and remove the VR headset. If you experience any symptoms during or after use, rest, and do not engage in any activities that require unpaired vision, balance or coordination until after symptoms have completely disappeared.
- Avoid prolonged use of PS VR. Take frequent breaks.
- Do not use PS VR if you are tired, dizzy, light-headed, nauseated, sick, under the influence of alcohol or drugs, or have an impaired ability to walk. Consult a doctor before using PS VR if you are pregnant or suffer from a serious medical condition.
- Keep the product out of the reach of small children. Small children may swallow small parts, may pull on cables and cause the processor unit or VR headset to fall, or may wrap the cables around themselves, which may inflict injury or cause an accident or a malfunction.

Photosensitivity/Epilepsy/Seizures

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your doctor before playing.

IMMEDIATELY DISCONTINUE USE and consult your doctor before resuming gameplay if you or your child experience any of the following health problems or symptoms: Dizziness, altered vision, eye or muscle twitching, loss of awareness, disorientation, seizures, or any involuntary movement or convulsion. RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR DOCTOR.

Use and handling of video games to reduce the likelihood of a seizure

- Avoid prolonged use of PS VR. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

FCC notice

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
- You are cautioned that any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- If you have questions about this product, visit playstation.com/helpme or contact the dealer in the supplier's declaration of conformity is only for FCC electrical interference inquiries.

Supplier's Declaration of Conformity

Use the product and accessories according to the instructions in this manual. No authorization for the analysis or modification of the product, or the analysis and use of its circuit configurations, is provided. Additionally, there is a risk of fire, electrical shock or malfunction.

Moisture condensation

If PS VR is brought directly from a cold location to a warm one, moisture may condense inside the VR headset and the processor unit. Should this occur, the product may not operate properly. In this case, turn off the VR headset and unplug the AC power cord from the electrical outlet. Do not use the product until the moisture evaporates (this may take several hours). If the product still does not operate properly, visit our website (→ "Further information").

Unusual or unresponsive behavior

Press the ⏻ [power] button (→ "Part names") on the VR headset for at least 7 seconds to force a shutdown, and then turn on the headset again. If the problem persists, restart the PS4™ system.

Visit rd.playstation.com/psvr/zvr2/. Parents and guardians of children should read this manual and make sure that the child follows all safety precautions. For more information on product safety and support, visit our website (→ "Further information").

AC adaptor and AC power cord use

Use an electrical outlet that is easily accessible, so the AC power cord can be unplugged quickly if the need arises. Stop use, unplug the AC power cord from the electrical outlet and disconnect any other cables immediately if the product functions in an abnormal manner, produces unusual sounds or smells or becomes too hot to touch.

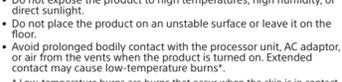

- Unplug the AC power cord from the electrical outlet when the status indicator on the processor unit is red. Unplugging the cord while the indicator is white or flashing red may cause a malfunction.
- Do not use an AC adaptor or AC power cord other than those supplied with the product. The supplied AC adaptor and AC power cord are designed exclusively for use with this product. They cannot be used with other products. In addition, other AC adaptors or AC power cords cannot be used with this product. Failure to follow these precautions may cause the product to overheat and may lead to fire or electric shock.
 - Do not plug the AC power cord for the product into an electrical outlet until you have connected the HDMI™ cables.
 - Do not damage the AC power cord.
 - Do not touch the plug of the AC power cord with wet hands.
 - Do not use the AC adaptor when it is covered by a cloth, as it may overheat, causing fire or malfunction.
- Unplug the AC power cord from the electrical outlet before cleaning or when you do not intend to use the product for an extended period of time.
- Do not connect the AC power cord to a voltage transformer or inverter.

Using PS VR

- Used with your PS4™ system and PlayStationCamera, PS VR brings you the excitement of virtual reality. You can interact with games more directly because the camera captures the position, angle, and movement of the VR headset.
- Be sure to always update your PS4™ system software and PS VR device software to the most recent version.
- Be sure to connect your VR headset to the supplied CUH-ZVR2 processor unit. The headset will not work if connected to a CUH-ZVR1 processor unit.

Play Area

Limit your use of PS VR to within the Play Area. The height of the Play Area depends on the range captured by the camera. The width and depth of the Play Area are as follows.

- Range captured by the camera
- Clear an area larger than the Play Area of all obstacles before using PS VR.
- Follow the instructions on the setup screen for PS VR to adjust the camera position and angle, so that you are in the best position (in the center of the Play Area) to play in VR mode. If you go outside of the Play Area while using VR mode, a warning will appear on the VR headset screen.

Hint

If the VR headset is not detected correctly, press and hold the Ⓧ (PS) button on the controller, and then select [Adjust PlayStation VR] > [Confirm Your Position] from the quick menu that appears. Adjust the camera position and angle.

Your position while using the VR headset

Remain seated whenever possible. If an application requires you to stand while wearing the VR headset, follow the application instructions carefully, and maintain awareness of your surroundings.

- Do not use PS VR if you are tired, dizzy, light-headed, nauseated, sick, under the influence of alcohol or drugs, or have an impaired ability to walk. Consult a doctor before using PS VR if you are pregnant or suffer from a serious medical condition.
- Keep the product out of the reach of small children. Small children may swallow small parts, may pull on cables and cause the processor unit or VR headset to fall, or may wrap the cables around themselves, which may inflict injury or cause an accident or a malfunction.

IMMEDIATELY DISCONTINUE USE and consult your doctor before resuming gameplay if you or your child experience any of the following health problems or symptoms: Dizziness, altered vision, eye or muscle twitching, loss of awareness, disorientation, seizures, or any involuntary movement or convulsion. RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR DOCTOR.

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR DOCTOR.

- Use the instructions on how to wear the headset, go to the Ⓧ (Settings) > [Deviices] > [PlayStation VR]
- Do not overtighten the volume to block out noisy surroundings.
- You can continue to wear your glasses while wearing the VR headset. When adjusting the scope position (→ "Part names"), move the scope slowly so that the internal lenses (→ "Part names") and your glasses do not touch. Having your glasses touch the lenses could result in damage to your glasses, VR headset lenses, or both.
- Regularly check the VR headset's fit to ensure it is being worn properly.

Care and cleaning

Be sure to follow the instructions below to clean and maintain your product.

- For safety reasons, unplug the AC power cord from the electrical outlet and disconnect any other cables before cleaning.
- Do not use solvents or other chemicals to clean the exterior surfaces.
- Do not use a chemically-treated cleaning cloth to wipe the product.

Processor unit exterior, VR headset exterior, head supports, connectors

If they are dirty, wipe them with a soft, dry cloth.

Hint

If the connectors on the processor unit, AC power cord, or other parts are dirty, signals may not be sent or received properly. You may also experience noise or interruptions in the sound if the connectors on the headphones or headset are dirty.

Lenses

Wipe only with a soft, dry cloth made specifically for cleaning lenses. Do not use paper products such as paper towels, or tissues not specifically intended for lenses.

Hint

Prolonged contact with water or dust may damage the lenses and shorten their life.

Light shield

Remove the light shield from the VR headset and wash it with water. Dry it completely with a soft cloth before reattaching it to the headset. Reattach the light shield by matching the nubs on the shield to the 13 holes on the VR headset.

Remove dust build-up from the vents using a vacuum cleaner or similar product.

Earpieces

Remove the earpieces from the stereo headphones and wash them by hand with a mild detergent. Dry them completely with a soft cloth before reattaching them to the headphones.

For details on removing the earpieces, refer to "Changing the earpieces".

LIMITED HARDWARE WARRANTY AND LIABILITY

Sony Interactive Entertainment LLC ("SIE") warrants to the original purchaser ("You") that the PS VR hardware, which includes components contained in the retail box with this hardware ("Product"), will be free from material defects in material and workmanship for a period of one year from the original date of purchase (the "Warranty Period"). This warranty is valid only in the United States and Canada. IF THIS PRODUCT IS DETERMINED TO BE MATERIALLY DEFECTIVE DURING THE WARRANTY PERIOD, YOUR SOLE REMEDY AND SIE'S SOLE AND EXCLUSIVE LIABILITY IS LIMITED TO: (A) THE REPAIR OR REPLACEMENT OF THIS PRODUCT WITH A FACTORY-RECEPIFIED PRODUCT, AT SIE'S OPTION, AT NO CHARGE TO YOU; AND (B) RETURN SHIPPING OF THE HEADSET AND PROCESSOR UNIT (NOT ANY PERIPHERAL, ACCESSORY OR CABLE) TO AN SIE-AUTHORIZED SERVICE FACILITY, VIA A SHIPPING BOX WITH A PREPAID SHIPPING LABEL PROVIDED BY SIE, AND SHIPPING OF THE REPAIRED HEADSET AND PROCESSOR UNIT OR A FACTORY-RECEPIFIED REPLACEMENT HEADSET AND PROCESSOR UNIT TO YOU, AT NO CHARGE TO YOU. For the purposes of this Limited Hardware Warranty and Liability, "Factory recertified" means a product that has been returned to its original specifications.

THIS WARRANTY DOES NOT APPLY: (A) TO DAMAGE CAUSED BY USE OF THIS PRODUCT WITH PRODUCTS THAT ARE NOT COMPATIBLE WITH THIS PRODUCT; (B) TO DAMAGE CAUSED BY USE OF THIS PRODUCT WITH ANY PERIPHERALS (S) THAT SIE DOES NOT LICENSE OR SELL, INCLUDING NON-LICENSED GAME ENHANCEMENT DEVICES, CONTROLLERS, ADAPTORS AND POWER SUPPLY DEVICES; (C) IF THIS PRODUCT IS USED FOR ANY COMMERCIAL PURPOSE, INCLUDING RENTAL OR ARCADE PURPOSES; (D) IF THIS PRODUCT IS MODIFIED TO ALTER CAPABILITY OR FUNCTIONALITY WITHOUT SIE'S WRITTEN PERMISSION; (E) TO DAMAGE CAUSED BY ACTS OF GOD, MISUSE, ABUSE, NEGLIGENCE, ACCIDENT, UNREASONABLE USE, OR BY CAUSES UNRELATED TO DEFECTIVE MATERIALS OR WORKMANSHIP; (F) IF THIS PRODUCT HAS HAD THE SERIAL NUMBER ALTERED, DEFACED OR REMOVED; OR (G) TO DAMAGE CAUSED BY (I) SERVICE (INCLUDING UPGRADES AND EXPANSIONS) PERFORMED BY ANYONE WHO IS NOT A REPRESENTATIVE OF SIE OR AN SIE-AUTHORIZED SERVICE PROVIDER, OR (2) OPENING THE PRODUCT OR ANY ACTION TAKEN WITHIN IT BY ANYONE WHO IS NOT A REPRESENTATIVE OF SIE OR AN SIE-AUTHORIZED SERVICE PROVIDER. THIS WARRANTY DOES NOT COVER PRODUCTS SOLD AND CLEARLY MARKED "AS IS" OR WITH FAULTS. SIE MAY VOID THIS WARRANTY IF SIE REASONABLY BELIEVES THAT THE PS VR SYSTEM HAS BEEN USED IN A MANNER THAT VIOLATES THE TERMS OF A SEPARATE END USER LICENSE AGREEMENT FOR SYSTEM SOFTWARE OR GAME SOFTWARE.

THIS WARRANTY IS PROVIDED TO YOU IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE FOR THIS PRODUCT, WHICH SIE DISCLAIMS UNDER THESE TERMS. HOWEVER, IF APPLICABLE LAW REQUIRES ANY OF THESE WARRANTIES, THEN THEY ARE LIMITED IN DURATION TO THE WARRANTY PERIOD.

EXCEPT AS EXPRESSLY STATED ABOVE, SIE EXCLUDES ALL LIABILITY FOR LOSS OF DATA, LOSS OF PROFIT, OR ANY LOSS OR DAMAGE SUFFERED BY YOU OR ANY THIRD PARTY, WHETHER THOSE DAMAGES ARE DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, OR INCIDENTAL AND HOWEVER ARISING UNDER ANY THEORY OF LAW, AS A RESULT OF USING THIS PRODUCT. SOME STATES OR PROVINCES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATIONS OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THESE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state or province to province.

The warranty offered by SIE on this Product is the same whether or not you register your product.

You must visit playstation.com/service or call 1-800-345-7669 to receive a return authorization and shipping instructions. A VALID PROOF OF PURCHASE IN THE FORM OF A BILL OF SALE OR RECEIPT FROM A RETAILER WITH THE DATE OF THE ORIGINAL PURCHASE MUST BE PRESENTED TO OBTAIN WARRANTY SERVICE.

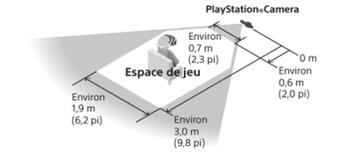

Except as this Limited Hardware Warranty and Liability provides, SIE is not liable for any direct and indirect, consequential, or special damages, including any damages that may arise from loss of data or functionality

Utilisation de PS VR

- Utilisé conjointement avec votre système PS4™ et la PlayStation®Camera, PS VR vous offre le meilleur de la réalité virtuelle. Grâce à la caméra qui capture la position, l'angle et les mouvements du casque RV, votre interaction durant le jeu devient beaucoup plus directe.
- Veillez à toujours utiliser la version de logiciel la plus récente pour votre système PS4™ et l'appareil PS VR.
- Veillez à bien connecter le casque RV au processeur CUH-ZVR2 fourni. S'il est connecté à un processeur CUH-ZVR1, le casque ne fonctionnera pas.

Espace de jeu

Limitez votre utilisation de PS VR à l'intérieur de l'espace de jeu. La hauteur de l'espace de jeu dépend de la portée capturée par la caméra. La largeur et la profondeur de l'espace de jeu sont décrites ci-dessous.

 : Portée capturée par la caméra

Supprimez tout obstacle autour de votre espace de jeu avant d'utiliser PS VR. Suivez les instructions affichées sur l'écran de configuration de la PS VR pour régler la position et l'angle de la caméra, et vous positionner ainsi de façon idéale (au centre de l'espace de jeu) pour jouer en mode RV. Si vous sortez de l'espace de jeu durant l'utilisation du mode RV, un message d'avertissement s'affichera sur l'écran du casque RV.

Conseil

Si le casque RV n'est pas détecté correctement, maintenez appuyée la touche (PS) de la manette de jeu et sélectionnez [Réglez PlayStation VR] > [Confirmez votre position] dans le menu rapide qui s'affiche.

Votre position pendant l'utilisation du casque RV

Restez assis autant que possible. Si une application nécessite que vous soyez debout pendant que vous portez le casque RV, suivez prudemment les instructions de l'application et restez vigilant concernant votre environnement.

Paramètres de PS VR

Pour configurer les paramètres de PS VR, accédez à l'écran de fonctions du système PS4™, puis sélectionnez [Paramètres] > [Périphériques] > [PlayStation VR].

Conseils

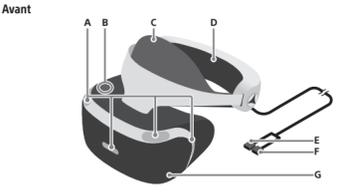

- Ces paramètres ne sont disponibles que lorsque PS VR est connecté au système PS4™.
- Certains paramètres peuvent également être configurés à partir du menu rapide qui s'affiche lorsque vous maintenez la touche (PS) de la manette de jeu appuyée.
- Pour plus d'information sur la configuration de votre PS VR, reportez-vous au guide de l'utilisateur pour le système PS4™. Sélectionnez [Paramètres] > [Guide de l'utilisateur/Infos utiles] > [Guide de l'utilisateur] dans l'écran de fonctions.

Contrôles parentaux

Le système PS4™ contient des paramètres que les parents ou les personnes responsables peuvent configurer si nécessaire pour limiter l'utilisation du casque RV par les enfants. Pour configurer les paramètres pour chaque enfant, passez à l'écran de fonctions du système PS4™ et sélectionnez [Paramètres] > [Contrôle parental/Gestion de la famille].

Remplacement des embouts

Les écouteurs stéréo sont livrés avec des embouts de taille M préinstallés. Si cette taille ne vous convient pas, remplacez-les par les embouts de taille S ou L. Pour retirer les embouts, tirez en tournant pour les détacher des écouteurs.

Conseil

Installez les embouts en les enfonçant bien pour éviter qu'ils se détachent accidentellement pendant l'utilisation.

Entretien et nettoyage

Lisez ci-dessous les instructions relatives à l'entretien et au nettoyage du produit.

- Pour plus de sécurité, avant de nettoyer le produit, débranchez le cordon d'alimentation de la prise électrique, ainsi que tous les autres câbles.
- N'utilisez pas de solvants ou d'autres produits chimiques pour nettoyer les surfaces extérieures.
- N'utilisez pas des chiffons de nettoyage traités chimiquement pour nettoyer le produit.

Supports de tête, connecteurs, extérieur du processeur, extérieur du casque RV

Si ces parties sont sales, essayez-les avec un chiffon doux et sec.

Conseil
<p>Lorsque les connecteurs du processeur, du cordon d'alimentation ou d'autres éléments sont sales, il se peut que les signaux ne puissent pas être envoyés ou reçus correctement. Si les connecteurs des écouteurs ou du casque sont sales, il se peut aussi que vous entendiez du bruit ou des interruptions au niveau du son.</p>

Lentilles

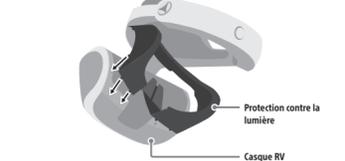

Essayez uniquement avec un chiffon doux et sec spécialement prévu pour le nettoyage des lentilles et autres verres optiques. N'utilisez aucun article papier tels que des mouchoirs ou des serviettes qui ne soit pas prévus pour le nettoyage des lentilles.

Conseil

Un contact prolongé avec de l'eau ou de la poussière peut endommager les lentilles et diminuer leur durée de vie.

Protection contre la lumière

Retirez la protection contre la lumière du casque RV et lavez-la à l'eau. Séchez-la complètement avec un chiffon doux avant de la remettre sur le casque. Remettez la protection contre la lumière en place en alignant les encoches de la protection avec les 13 trous situés sur le casque RV.

Grilles d'aération

Si de la poussière s'est accumulée sur les grilles d'aération, enlevez-la à l'aide d'un aspirateur ou d'un appareil similaire.

Embouts

Retirez les embouts des écouteurs stéréo et lavez-les à la main avec un détergent doux. Séchez-les complètement avec un chiffon doux avant de les remettre sur les écouteurs. Pour plus de détails sur le démontage des embouts, reportez-vous à "Remplacement des embouts".
